1. Who can see my enlivener, alivener; alive and well and enabling all to see who they've been, not; who they are. The son alive and well and who can see me enabling/imparting me to/unto me to me be? I love you all.

2. This is the now/moment and all ask questions, not; stand in queues, not waiting for me, but to see me, experiencing me for themselves in themselves; them on their own stage, not; mine. I love you.

3. Inner peace, not just, maximum outpouring of inner sanctum of me/father. I love you.

4. Given my you I have, not like about to though. Watch me. Keep me on your toes, not; but being me I you you like I have never before. Watch me/us. Keep the faith, not; be it/me, trusting all is in father's divine will/divineness, perfect will for all. I love you.

5. Me.

6. See not another.

7. **Delayed not but profuse inner-sanctum-ing coming forth**, all the world to see/experience as they desire, not; but surrender into, as serious sincere about.

8. Me.

9. I love you.

10. Me again, me always and forever. Mine yours, yours mine. I love you/them all. You are/have me all.

Me
